To Whom It May Concern:

I would like to share a bit about my experience working for Will McRaney. I was his ministry assistant at The Florida Baptist Convention. I found Will to be very well organized and tech savvy boss with a genuine heart for missions. It wasn't just a job for him— it was his passion and his calling.

To this day he is still one of my favorite bosses I have ever had. He was very supportive, kind, and compassionate. It was a pleasure to work for him, and I highly recommend Will for any ministry that he may feel God is calling him to.

Sincerely,
