

Glorify God and make Him known  
to everyone...everywhere.

January 3, 2019

Dear Will:

It was good to visit with you by phone. I'm delighted to hear about your family and the continued joy they bring to your life and ministry.

Thank you for letting me know of future plans and continued service to our Lord. Please know I will assist in the new journey when able.

The years we spent working together at the Florida Baptist Convention were good years. Your work was always thought out and applied to the churches. Your sense for evangelism and church planting was manifested in many ways: preaching, teaching, writing and training workers; especially pastors. I realize it was an adjustment from the academic world to the "on the road again" work of the Florida Baptist Convention. You made the adjustment.

May your new journey be filled with success and joy. May the good things of grace continue.

Blessings,
